I have dealt with 'Carrolls Real Estate' for the past eight years, both with Sales & Rental properties.

The entire team, led by Rob at 'Carrolls' are professional, approachable & friendly. The welcoming atmosphere within the office is one akin to family.

My rental property is managed with the utmost expertise by Jennifer. The Rental dept are prompt in finding tenants & thorough in selecting the appropriate tenant, with advice that ensures your home is safe.

'Carrolls' also have the convenience of their own 'handyman' who is multi-skilled & reasonably priced. He may attend to odd jobs you cannot do or do not have the time to do.

Having Jennifer or Tom manage your Rental property gives you peace of mind as they look after your house for you.
