Jennifer Cabrese.
Property Manager
Carrallo Real Estate
Greystones.

Dear Jennifer.

Richard and I have had a rental property in Greystones for some years. We transferred ^{management} our from another Real Estate because of lack of consistency. We have been with Carrallo for 2 years and the care and professionalism has been outstanding. I attend usually all inspections on the property and the staff and tenants have been very co-operative. Keep up the good work

Yours Sincerely
Anna Dale
