To whom it may concern,

Carrolls Real Estate have been managing our investment property for over one year. During this time we have found that the staff have been very helpful and professional in their service.

They have managed our property extremely well in selecting excellent tenants. I have no doubt in mandating Carrolls Real Estate as managing agents for our property for the foreseeable future.

We recommend any landlord to use Carrolls Real Estate as managing agents for any rental properties they may have.

Regards
