Dear Jennifer,

We would like to convey our appreciation upon the exceptional level of service the Property management team at Carrolls Real Estate Greystanes has supplied in managing our residential rental property, Jennifer has always been professional in the way the department operates and more than happy to assist with any enquiry we may have, along with keeping us up to date with all relevant matters as they come to hand.

My wife and I would have no hesitation in recommending Carrolls Real Estate Greystanes property management department for any future rental needs.

Yours Sincerely
